

St Mary MacKillop

GRATITUDE: "WE HAVE MUCH FOR WHICH TO BE THANKFUL" (1873)

NEWS

Vision

As partners in Catholic education and open to God's presence, we pursue fullness of life for all.

Mission

At St Mary MacKillop College we are people who affirm the dignity of every person, who act with respect and compassion, who reverence relationships, who have hearts for generosity and forgiveness.

We celebrate our Catholic identity.

We respect the unique dignity, faith and gifts of each person.

We value learning, aspiration and connectedness and we work together to create a positive future.

FROM THE PRINCIPAL

Dear Parents, Guardians and Friends,

The end of term three has finally arrived. This term much of my time has been spent meeting and interviewing incoming Year 7 students for 2019, as well as beginning the planning for subjects and staffing for 2019. I haven't forgotten though, that our Year 12 students are working hard and coming ever so near to their final days at the school.

Most formal teaching and assessment has finished and now our Year 12 VCE students and teachers switch into study and revision mode. Today the students completed a 3-hour Practice English exam and in the holidays the students have the opportunity to complete practice exams in all other subjects. The formal exam period begins on Wednesday 31st October.

I wish all of our Year 12 VCAL and VCE students all the best in these last weeks of their Secondary Education. Parents and friends are invited to join us for our End of Year Mass on Tuesday 23rd October at 12:00pm at St Mary's Church, where we will gather as a whole school community with our Year 12s for the last time. Following on from this, parents are invited to share lunch with the Year 12s and the Staff in the Parish Function Centre, before our Year 12 Final Assembly at 2:15pm in the Jubilee Centre.

Wishing all those involved in sporting finals all the best. As a Western Bulldogs supporter I am on the sidelines this year, however, married to a Magpies supporter, I feel I need to support Collingwood into the Grand Final.

Have a restful holidays.

Regards

Michelle Haeusler
Principal

Wed 10th	Year 11 Retreat

FAITH MATTERS

Why should faith always lead to good works?

Great teachers ask great questions. In this week's Gospel, Jesus asks the disciples, 'But who do you say that I am?' Like Jesus, asking probing questions of our students gives them the opportunity to reflect more deeply on what they are learning. The best teachers assess whether information has an impact on their students, and ask their students to do more than simply memorising the text.

To work and teach in Catholic education is a special vocation. It is a calling to become part of something of great significance, to share in Christ's mission. Teachers in Catholic schools share in the work of Jesus to reach out to others and spread the good news about life and its purpose. As we reach the end of the third term, it is time to reflect on what good works we have all done in the last ten weeks. How have we reached out to others? What have been our moments of gratitude?

During the term break, the feast day of St Vincent de Paul will occur on September 27. St Vincent was a man of personal example of tender and practical love of the poor and an inspiration for others to do works of mercy. He walked the streets to seek out and help people experiencing extreme hardship. Our own local chapter of the St Vincent de Paul society continues to seek out those in our own community who are in need of help. Maybe a challenge for us is to consider becoming a volunteer and also be an example of reaching out to others.

Wishing you a happy and blessed holidays.

Lord Jesus, you who loved the poor, give us eyes and a heart directed toward the poor; help us recognise you in them, in their thirst, their hunger, their loneliness and their struggle. Strengthen us, so that faithful to the practice of these virtues, we may contemplate you and serve you in the person of the poor, and may one day be united with you in your Kingdom.
Amen.

St. Mary of the Cross MacKillop, pray for us.

Alison Wright
Director of Mission

BETTY CURRIE SCHOLARSHIPS

Applications close Friday 26th October 2018

Betty Currie Scholarships for the 2019 school year are now open.

Families experiencing financial hardships are encouraged to apply.

Please note that financial information must be supplied. All applications are confidential.

Application forms are available from Front Office or on the school website

<https://smmc.vic.edu.au/our-community/betty-currie-scholarship/>

FROM THE DEPUTY PRINCIPAL

Thank you for a wonderful term

Our theme this year is Gratitude and we echo the words of Mary MacKillop when we say “We have much for which to be thankful”. This term has presented us with many opportunities to be grateful and to say thank you each day. Our school is a busy place and there seems to be something different happening each week, in fact almost every day. At this end of the term we can look back and appreciate that there is good reason for our tiredness, we have achieved so much! Thank you to our staff who give so much energy to their students, who work so hard to plan and prepare and who come to school each day, ready to get excited about learning and building our school community. Thank you to our students who care for each other, who try their best, who keep going even if it is sometimes hard, who celebrate the good things in life. I recently attended the Victorian Catholic Schools Secondary Deputy Principals Annual Conference. I found myself talking with ease about our staff and our students and all the positive, life giving and energizing things that happen within our school – it certainly is a wonderful community.

Summer Uniform

We will expect all students to be in full summer uniform for Term 4 and trust that the coming two weeks gives families a chance to ensure that uniforms are in order.

At St Mary MacKillop College students are expected to maintain a high standard of dress and grooming which:

- Supports a positive atmosphere where study and learning flourish
- Promotes school unity and pride
- Promotes individual pride and helps prepare students for employment
- Takes away the need to keep up with the latest fashion trends
- Presents an appropriate image of our College to the broader community.

We ask that all parents embrace our College uniform and the role it plays in your child’s day to day life at St Mary MacKillop College. Please do not sign notes for your child to be out of uniform unless there is a medical issue or an event that is out of the ordinary. Being able to meet expectations is very much part of life, at school and beyond and the College uniform is compulsory for all students.

A few reminders about the Summer uniform:

Boys:

- Blue cool weave polo shirt with College logo
- Optional plain white undershirt – no printing
- Grey shorts
- College jumper
- Grey socks - not black socks
- Black leather polishable school shoes or boots with a heel. Not runners.

Girls:

- Dress of white, maroon and blue plaid, hemmed to no more than 10cm above the knee
- Optional navy dress shorts and blue cool weave polo shirt with College logo
- College jumper
- Plain white socks
- Black leather polishable school shoes with a heel (not open sandals).

A hat is required in Terms 1 & 4. These are available for purchase at the Front Office if they have been mislaid.

Over the last two years we have seen the length of the girls skirt and dress hem change. We made a concerted effort with our students to ensure that the winter skirts were the right length and although there are some students who have not altered their uniform, we did see many align with the expectations. So too we expect our girls to have dresses of the right length. This is hemmed to no more than 10cm above the knee. This week sees many sporting finals and last week when I spoke to students about uniform at various times, I used the analogy of a sports team. If we are not wearing the right gear we don’t get a game. We are asking all students to wear the ‘right gear’ to school, we expect them to be in correct uniform.

Detentions

Staff will occasionally issue detentions to students for poor behaviour or failure to follow the College Community Expectations. Students are also issued detentions for being out of uniform, which is essentially failure to follow College Community Expectations. Next term we will trial sending Detention Notifications home via CareMonkey. This may be a good way to alert parents to the fact that their child has a detention. If you do receive a CareMonkey in this regard please take the opportunity to speak to your child about the reasons for the Detention and possible ways of changing the situation next time. If you have any questions about detentions that are issued, please contact your child's Homeroom Teacher as the first point of call.

The next two weeks presents us all with the chance to have a bit of a break and to step away, even if it just a little, from our school work. I hope all our families have a lovely holiday and enjoy a safe and relaxing break.

Catherine Howison
Deputy Principal

TEACHING AND LEARNING

After School Homework and Study Help in the Learning Resource Centre (Library)

In an effort to assist students with their homework and develop sound study skills, the staff at St Mary MacKillop College have been rostered into the Learning Resource Centre every Monday – Wednesday from 3:30 – 4:30 pm. We strongly encourage students to utilise this excellent facility, where students can stay after school any day until 4:30pm (except Friday when the Learning Resource Centre closes at 4:00pm).

Year 12 Students

The majority of Year 12 VCE classes will have completed their coursework by the end of this term and will be focussed on exam preparation. Unit 3/4 external examinations commence on Wednesday 31st October with English and English EAL. Students studying VET subjects and/or the VCAL course will also need to ensure all outcomes have been successfully completed by the last day of Year 12 classes on October 23rd 2018.

Full details of examination timetables, rules and the VCE Navigator are available on the VCAA website

<https://www.vcaa.vic.edu.au/Pages/vce/exams/timetable.aspx>

UNIT 3/4 PRACTICE EXAM TIMETABLE 2018

All students studying a Unit 3/4 subject (Year 12 subject) are required to attend Practice Exams in the second week of the school holidays as per the timetable below. Any rescheduling of a practice exam due to timetable clashes or valid personal/work reasons must be requested in writing, with a parent signature, to Mrs Haley, Senior School Coordinator, prior to the holidays.

All students must complete and submit a Practice Exam for their subject, even if rescheduled, by 3.15pm Wednesday 3rd October.

DATE	TIME	SUBJECT
Monday October 1st	9.00 – 11.15	3/4 RE 2 hrs FURTHER MATHS 1.5 hrs

YEAR 12 KEY UNI DATES – VICTORIA

Course applications

The Victorian Tertiary Admissions Centre (VTAC) processes course applications on behalf of tertiary institutions,

www.vtac.edu.au/

- Timely applications close for VTAC on Thursday 27 September.
- You can apply for up to 8 courses. These can be changed later by certain dates, but some University of Melbourne and Monash University courses must be applied for by the 27th of September.
- You can complete a Special Entry Access Scheme (SEAS) application by 12 October.
- You can apply for access and equity scholarships via VTAC by 12 October.
- VTAC resources: <https://bit.ly/2MFsD1O>

Early entry program dates

Australian Catholic University:

Applications for the following early entry programs close 27 September

Passion for Business, <http://bit.ly/2beXyl2>

Passion for Law, <http://bit.ly/2ijFigP>

Victoria University, VU Guaranteed (selected schools): applications close Sunday 30 September,

<https://bit.ly/2whSd6P>

The following early/guaranteed entry programs close on the 12th of October

Monash University, The Monash Guarantee,

<http://bit.ly/2x5nwBC>

The University of Melbourne, Access Melbourne,

<http://bit.ly/2gBAqPD>

RMIT, Schools Network Access Program (selected schools),

<https://bit.ly/2vAPiVT>

YEAR 12 KEY UNI DATES – NSW/ACT

Course applications

The Universities Admissions Centre (UAC) processes course applications on behalf of tertiary institutions www.uac.edu.au

- Timely applications close for UAC on Friday 28 September.
- You can apply for up to 5 courses. These can be changed later by certain dates, but some courses must be applied for by this date.
- You can complete an Educational Access Schemes (EAS) application by 23 November.
- You can apply for selected access and equity scholarships via UAC by 12 December.
- UAC resources: <https://bit.ly/2PL3J2K>

Early entry program dates

University of New England: Early admission applications close on 28 September,

<http://bit.ly/2aqFGGu>

NSW/Canberra Institutes, Schools Recommendation Schemes. Includes universities such as Australian National University, Charles Sturt University, Macquarie University, University of Canberra, University of Newcastle, University of Technology Sydney and Western Sydney University.

Applications close Friday 28 September,

<http://bit.ly/2arK6ZG>

Private colleges and TAFE institutes for Victoria, NSW and Canberra

You will need to apply directly to some institutes. Each relevant private college and TAFE will set their own application dates.

VOCATIONAL & HIGHER EDUCATION NEWS

University Scholarships: The Department of Education and Training Victoria offers up to 60 scholarship awards for Year 12 VCE students planning to undertake tertiary studies in 2019. For a list of scholarships and eligibility criteria, go to <https://bit.ly/2MISjPk>

Interested in engineering? Spark Night at Monash University is the Electrical and Computer Systems Engineering (ECSE) department's annual industry event and exhibition, celebrating the achievements of final year students and showcasing 125 projects. Interested secondary school students and parents are invited to come along and see the fantastic work the students have produced. The event will be held Tuesday 16 October 2018 between 6-8pm at the Clayton campus, <https://bit.ly/2xsbOlc>

Discover your career in health at Monash University: Explore your course and career options in the Faculty of Medicine, Nursing and Health Sciences through the new 'Future Careers in Health' website, <https://bit.ly/2Mcr7xj>

Interested in Engineering, Science and Maths? You can download the following Careers With STEM magazines from this website - <https://bit.ly/2Os7gCR>

- Careers With STEM: Engineering
- Careers With STEM: Maths
- Careers With STEM: Science
- Careers With STEM: Economics
- Careers With STEM: Health
- Careers With Code

Passionate about filmmaking? Flickerfest, Australia's largest and only Academy® Award accredited and BAFTA-recognised international short film festival, is now accepting entries from around Australia for the SAE FlickerUp competition. FlickerUp is Flickerfest's national youth short film competition. Short film entries are invited from primary and secondary school students or filmmakers under 18 years of age across Australia.

FlickerUp films should be imaginative, fun and original. Documentary, animation or drama on any theme is encouraged. For information about the initiative and apply by Friday 26 October, go to <http://flickerfest.com.au/>

MURRAY RIVER CULINARY CHALLENGE GRAND FINAL

The Culinary Challenge Grand Final was held in Echuca on the 12th September. Jenna Stacey and Sarah Caccaviello represented the Swan Hill District competing against six other teams from schools along the Murray River. The menu they cooked was a lot more involved than the Regional Final, because of this they were under more pressure to produce their meals within the set time.

The menu consisted of trout tart with a pumpkin and feta salad for entrée, herb crusted lamb rack with mash and steamed vegetables for the main and pears poached in cranberry juice with cinnamon cream for dessert. The girls worked consistently throughout the competition and produced restaurant standard food. They were runners-up on the day; losing to Wangaratta by one point. Congratulations to Jenna and Sarah on their tireless effort throughout the Challenge.

Mandy McCallum
VET Hospitality Teacher

WORLD CHALLENGE 2019

World Challenge

Are you in Year 9 or 10 this year?

Are you interested in an overseas adventure where you can experience a whole other world?

Maybe you want to learn a new language?

Maybe you want to trek and camp in Asia?

Maybe you want to give back to those less fortunate?

Stepping out of your comfort zone to make lasting memories on a trip to Cambodia might be for you!

We are aiming to have a group of students take on this adventure of a lifetime next year to Cambodia. Our last group had an absolute blast and we are sure you will too!

If you want to learn a bit more – check out their website

<https://weareworldchallenge.com/australasia>

or social media pages!

You'll be feeling inspired to venture out into the world to experience a journey of a lifetime!

If you are interested or have a child that may be interested, please get in touch with Mrs Howison as soon as possible.

LEGACY FUNDRAISING

On Friday 7th September, Ms. Cook's Year 9B History class participated in raising money for legacy. Legacy Week is the annual national appeal to raise awareness and funds for the families of our deceased Veterans.

In small groups they went around the local CBD area with the assistance of the Swan Hill Legacy members seeking donations.

As a group they managed to raise over \$1,600. I would like to thank these students for their dedication and exemplary behaviour.

Leanne Cook
History Teacher

KWONG LEE DOW YOUNG SCHOLARS PROGRAM

This University of Melbourne program is an academic enrichment program designed to support high achieving students currently in Year 10. Students must demonstrate evidence of leadership potential, active citizenship and community involvement in their application. Benefits of being a Kwong Lee Dow Young Scholar include access to University resources and participation in an exciting program of events and activities, as well as benefits for any student who studies at The University of Melbourne. Brochures are available from the Pathways Office and close on Monday, October 15th.

eat. move. smile.

fruit & veg more often together

Think about these three words to help your child (and yourself) be their most healthy and happy

Eat more fruit and veggies

Move more often

Smile with friends, family and neighbours.

Getting good nutrition, good levels of physical activity and interacting with other kids and adults are important factors in the growth, learning and health of children.

Week 9 – 10th September

smile.
together

September 13th – R U Ok day?

Conversations need to happen every day. We need to encourage more people to ask R U OK? in your school, workplace, home and community.

Be aware of certain behaviours and signs that can indicate a child might be struggling. The first thing to look out for is changes in behaviour. When people feel low, they often:

- withdraw from their family or their friends
- lash out at people and get angry or upset really easily, including towards the people they care about
- cry or become emotional
- lose interest in activities and things they usually love
- have changed sleeping patterns. They might be sleeping all the time, not sleeping much at all, or sleeping at strange hours (such as in the middle of the day)
- have a changed appetite. They could be eating more than usual, or less.

If you suspect your child is not ok or they tell you 'no, I'm not ok,' see your GP and get in touch with your child's school.

Week 10 – 17th September

move.
more often

Walk to School in October!

Don't forget, October is Walk to School month and a great time to start walking, riding or scooting to school! Get walking from the start of next term and kick start a new healthy habit!

All holidays!

10am - 5.30pm
For: All ages
Cost: FREE

Creation station

Set up in the children's area for the duration of the school holidays, children can draw, cut and paste, colour in, construct, complete activity booklets and make all sorts of creations!

Monday, 24 Sept

10am - 11am
For: Ages 5+
Cost: FREE

Teddy Bears Hospital

Children will take part in a mock medical consultation scenario with medical students from Monash University. Acting as doting parents, children will bring their beloved teddy bear or soft toy to the Teddy Bear Hospital for a check-up! **Bookings essential.**

Monday, 24 Sept

1pm - 5pm
For: Ages 5+
Cost: \$2

Minecraft Monday

Minecraft is a game about breaking and placing blocks. Children can build structures to protect against all sorts of nocturnal monsters. Players work together to create wonderful, imaginative things! What will you build?

Monday, 24 Sept

1pm - 5pm
For: Ages 12+
Cost: \$2

VR Pop-Up Play

Come along and try our new Playstation virtual reality headset! Join an outlaw band of immortal pirates and fight your way to glory across the galaxy or jump into the combat ring to fight giant robots! This is a fantastic opportunity to try out this new technology.

Tuesday, 25 Sept

2pm - 3pm
For: Ages 10+
Cost: \$4

Bath Bombs

Join Samantha for a fun and creative children's activity making a treat for the senses! Children will make two lovely perfumed bath bombs to take home and enjoy while soaking in a relaxing bath. **Bookings essential.**

Wednesday, 26 Sept

5 - 8 years session:
2pm - 3pm
9 + years session:
3.30pm - 4.30pm
Cost: \$2

Lego Competition

This fun competition asks children to use their imagination to create a structure of the judge's choice. Join one of two age categories: 5 - 8 years or 9 years and up. Great prizes to be won! **Bookings essential.**

Wednesday, 26 Sept

2pm - 4pm
For: Ages 5+
Cost: \$2

Loom Bands

Have you just discovered loom bands? Or are you already a loom band expert? Loom bands, boards and hooks are supplied to make fantastic jewellery and craft!

Thursday, 27 Sept

2pm - 3pm
For: Ages
Cost: FREE

Tissue Box Monsters

Join Peta from Bunnings Swan Hill for a simple, fun and creative children's activity! Create a scary monster using your imagination, tissue boxes, egg cartons, paint, coloured paper and decorations. **Bookings essential.**

- Youth friendly activities and workshops. **NB** Children under 12 must be supervised by an adult.

Monday, 1 Oct

1pm - 5pm
For: Ages 5+
Cost: \$2

Minecraft Monday

Minecraft is a game about breaking and placing blocks. Children can build structures to protect against all sorts of nocturnal monsters. Players work together to create wonderful, imaginative things! What will you build?

School Holiday Family Fun!

3 SPEED CRUNCH REBOOTED BY DISLOCATE

Thursday 4 October 10.30am

Swan Hill Town Hall PACC

Laugh out loud stupidity and side-splitting slapstick. Nail biting circus tricks and a phenomenal finish!

The world-touring, crazy stunt people from Dislocate are back with their brand new show, ***3 Speed Crunch Box Rebooted***.

In this hilarious story of a family of outlandish stunt people, expect impressive aerobatics, spectacular circus tricks and - you won't believe it - even more stupid characters in this absurd, side-splitting slapstick comedy.

A perfect choice for school holiday entertainment, with plenty of stunts to entertain both kids and adults.

3 Speed Crunch Box Rebooted introduces kids to the artistic process of creating a slap stick, acrobatic show.

The characters get the kids involved at the beginning of the show to help create a new show; giving feedback on what's funny and helping with some of the circus tricks.

The whole performance finishes with the hilarious show within the show, which the audience has helped to develop some elements

3 Speed Crunch Box Rebooted was commissioned by Circus Oz for their educational program in 2016.

Running time: 45 minutes
