

St Mary MacKillop

GRATITUDE: "WE HAVE MUCH FOR WHICH TO BE THANKFUL" (1873)

NEWS

Vision

As partners in Catholic education and open to God's presence, we pursue fullness of life for all.

Mission

At St Mary MacKillop College we are people who affirm the dignity of every person, who act with respect and compassion, who reverence relationships, who have hearts for generosity and forgiveness.

We celebrate our Catholic identity.

We respect the unique dignity, faith and gifts of each person.

We value learning, aspiration and connectedness and we work together to create a positive future.

FROM THE PRINCIPAL

Dear Parents, Guardians and Friends,

Next week our Year 12 students finally say good-bye to their secondary school days. Some would say that it seems to have gone on forever, while others think that the time has passed in the blink of an eye. Regardless it has been a privilege to have walked this stage of the educational journey with these young adults. On Friday 23rd November we will celebrate together for the last time at the Graduation Mass and Dinner. All family and friends are invited to attend the Graduation Mass at 6:30pm in St Mary's Church.

We will see some of our Year 12 students back in uniform at our Annual College Presentation Night. The Presentation Night this year will be held on Monday 10th December in the Jubilee Centre. On this night we recognise the Academic and Endeavour efforts of our students. We will also be treated to performances of students in both music and drama, and our guest speaker this year is past St Mary MacKillop College student Christine Ewart (Thoolen). It is always a wonderful night, so please make an effort to attend whether your son or daughter is receiving an award or not. Everyone is most welcome.

We have announced so many student leadership appointments in the past two newsletters.

TEACHING AND LEARNING

Year 11 and 12 VCE Examinations

Congratulations to all Year 11 and Year 12 VCE students who have completed their exams and now look forward to a break from study. Only a few students have their final Year 12 exams to complete before the concluding Japanese and Italian exams on Wednesday 21st November.

Subject Selection Counselling Interviews for students entering Year 12 in 2019

Almost all Year 12 (2019) students and their parent/guardian have attended our subject counselling interviews this week with the Pathway and Teaching and Learning team staff. This is considered an important step into Year 12 and aims to provide yet another opportunity to discuss subjects, career pathways and how we can best work together to support each student in their learning.

Subject Selection Counselling Interviews for students entering Year 11 in 2019

These interviews involving parents, students and staff from the St Mary MacKillop College Pathways Team will be held throughout Week 7 (next week). Bookings have been available online using PAM but are now closed. If any bookings need to be changed, please contact the Front Office.

After School Homework and Study Help in the Learning Resource Centre (Library)

In an effort to assist students with their homework and develop sound study skills, the staff at St Mary MacKillop College have been rostered into the Learning Resource Centre every Monday – Wednesday from 3:30 – 4:30 pm. We strongly encourage students to utilise this excellent facility, where students can stay after school any day until 4:30pm (except Friday when the Learning Resource Centre closes at 4:00pm).

2019 Year 12 Orientation Tuesday 20th – Friday 23rd November 2018

Students completing Year 12 subjects in 2019 are required to complete an orientation program to ensure they make the best start possible to their final year of secondary schooling. Year 11 students that have accelerated their studies and are completing a Year 12 subject should also attend their classes as timetabled below. Students will be set essential holiday homework and introduced to key concepts specific for each of their selected subjects as well as assistance with general study skills. Attendance is compulsory. Please contact the Senior School Coordinator, Suzy Haley if you have any questions.

Students will be informed of which English, Further Maths, Health & Human Development or PE class they are in during the Year 12 Introductory Session Lesson 1 on Tuesday 20th November.

READ YOUR NOVELS!

BE PREPARED FOR YOUR ENGLISH & LITERATURE CLASSES NEXT YEAR!

Could parents of Years 9-12 students please assist our English staff and encourage your students to make the most of the Summer break and read the required novels for their English & Literature classes next year.

As you can appreciate, class time is dedicated to exploring the characters, themes and ideas in the text. Therefore, students must have read the novel prior to beginning study in order to fully participate in class and to maximise learning. Students not reading the required novel has been a common occurrence in the past and much of the teaching is wasted as the students do not have enough knowledge of the novels to connect the learning to.

Year 7 is the only exception to having the novels read prior to the start of the study. Year 7 read the novels in class. Year 8 must read their first novel – *Chinese Cinderella* by Adeline Yen Mah – by the beginning of Term 3.

The book-listed novels have been ordered early to enable students to have their novels to read over the Christmas vacation.

Listed below are the **first novels studied** at Years 9 to 12 in 2019. These must be read by Day 1:

Year 9 – *The Happiest Refugee* by Ahn Do.

Year 10 – *To Kill a Mockingbird* by Harper Lee

Year 11 – *The Messenger* by Markus Zusak

Year 12 – *Frankenstein* by Mary Shelley

SECOND HAND BOOKS AND UNIFORMS

Buy, Swap & Sell on our Facebook Group!

Second Hand Books and Uniforms can be bought, swapped or sold between yourselves through our St Mary MacKillop College Second Hand Books and Uniforms Facebook Group.

Search for **@SMMCBooks** to find the group and click on the link to join.

A list of current booklist items for 2019 has been posted to the group. Please read this carefully as some books must be purchased new or new editions may be required. A copy of the 2019 Current Items List is also included in this newsletter.

BE SURE THAT YOU HAVE THE CORRECT, CURRENT EDITION OF THE TEXTBOOK.

When purchasing Second Hand Uniforms please make sure that you are purchasing the correct uniform items with the **CURRENT LOGO**, and that the logo is on the uniform. Clark's Gift Salon in Swan Hill is the only stockist of our School Uniforms when purchasing new.

2019 Booklists will be given to students on the following dates:

2019 Year 12 students – Tuesday 20th November

2019 Year 11 students – By Friday 7th December

2019 Year 9 and 10 students – By Friday 7th December

2019 Year 8 students – By Wednesday 12th December

2019 Year 7 students – Booklists have been sent in the mail

YEAR 9 CAMP

This week's Year 9 Canberra Camp proved to be a very exciting and educational experience for all the students and staff involved. Questacon, A.I.S (Australian Institute of Sport), Old Parliament House and The Australian War Memorial were four significant highlights for the students. Questacon (National Science and Technology Centre) was full of interactive galleries with the Vertical Slide being very popular. The A.I.S was certainly very popular where we were able to discover how the best athletes in Australia train. The Sportex section proved to be even more exciting as the students were able to participate in a range of interactive Sporting Activities. The activities arranged by Old Parliament House were exceptional in developing students' knowledge of Australian Democracy. As part of the visit the students were able to sit in the seats of the House of Representatives and take part in a debate. The War Memorial was certainly a very enriching experience in acknowledging the sacrifice of Australians who died at war. The Commemorative Area, Aircraft Hall, ANZAC Hall were some of the most inspirational galleries witnessed by the students.

Other venues visited included the National Museum, World Embassy Tour, Mount Ainslie Lookout and New Parliament House. St Mary MacKillop College and the Australian Government recognises the importance of all young Australians being able to visit the national capital as part of their Civics and Citizenship education. To assist families in meeting the cost of the excursion the Australian Government is contributing funding of \$30 per student under the Parliament and Civics Education Rebate program. The rebate is paid directly to the school upon completion of the excursion and was able to make the trip more affordable.

Along with all of these educational visits the students had time to enjoy themselves at iPlay Canberra, Flip Out Trampoline Arena and had some free time for shopping at Canberra Centre. iPlay included laser tag, arcade games and dodgem cars, which proved to be a hit with all the students. Overall, it proved to be a very busy, enjoyable and educational camp for the Year 9 students. I would like to thank Mrs Wright, Ms Agars, Fr Matthew Thomas, Olivia Gardiner, Ms Gurnett, Mr Crow and Mr Waterson who attended the camp and made sure each student had a safe and enjoyable experience.

REMEMBRANCE DAY SERVICE

Last Friday, our school community held a special Remembrance Day service to remember the soldiers and animals who died fighting in wars to protect our country. This was to commemorate the 100th anniversary of the signing of the peace treaty to end the war. We were very honoured to have Mr Barry Townley the RSL President of Swan Hill to lay a wreath.

Many thanks to Ms Cook & Mrs Wright who organised for our RE classes to make poppies to create our own little field of poppies to remember the fallen soldiers and animals that were part of the wars. Many thanks to everyone for their reverence during the service and to all those that assisted in some way.

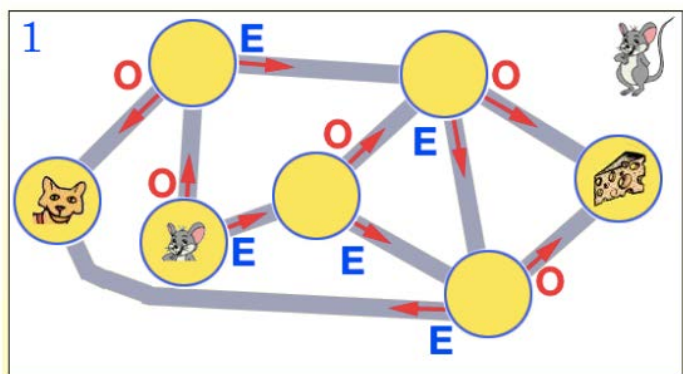

On Sunday 11th November, our 2019 College Captains and Vice Captains took part in the Remembrance Day Service at the Swan Hill War Memorial. This year commemorates the 100th Anniversary of the Armistice which ended the First World War. On this day we remember those who died or suffered in all wars and armed conflicts. #LestWeForget

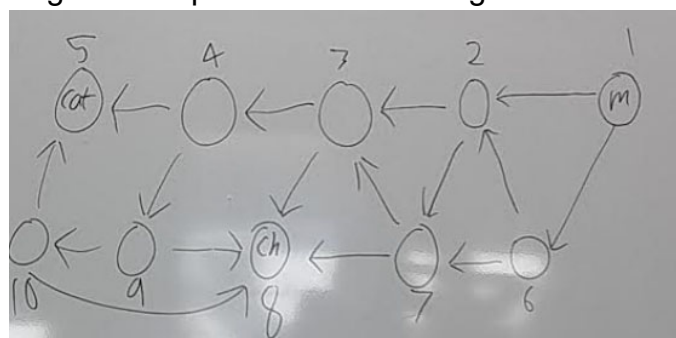

MATHS FOR WORK

Maths For Work Year 10 student Michael Anderson explains to his peers the probability of winning a game of chance. The scenario is if you roll a die [single dice] there is a 50-50 chance of the outcome being odd or even. This then determines the direction the mouse travels through a network to either a cheese or a hungry cat.

Diagrammatically students were presented with:

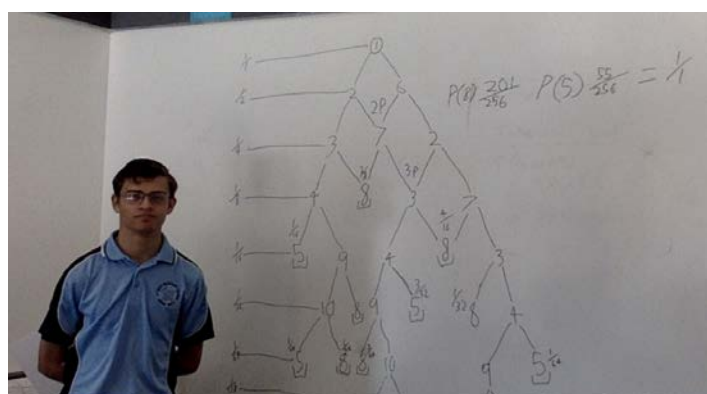

He then summarised the information into a tree diagram and proved this is a fair game.

Michael then went on to design a more complex network; with a strong bias towards the mouse winning 78.5% of the time.

Congratulations Michael, you are a logical thinker when confronted with Maths problems.

Bill Kemp
Maths For Work Teacher

eat. move. smile.

fruit & veg more often together

Think about these three words to help your child (and yourself) be their most healthy and happy

Eat more fruit and veggies

Move more often

Smile with friends, family and neighbours.

Getting good nutrition, good levels of physical activity and interacting with other kids and adults are important factors in the growth, learning and health of children.

Week 5

Be a role model

Children learn health behaviours from the people around them – parents being some of the biggest influences on their attitudes toward healthy behaviours.

What's your favourite way to get moving on a daily basis?

Whether it's gardening, or going for a jog, get the whole family involved and create healthier habits together!

Week 6

Frozen Fruit

As the weather warms up we often look for frozen treats such as ice cream.

A great healthy alternative is frozen fruit! Be creative and try some different fruits.

Simply blend your chosen fruit until smooth and pour into a mould and freeze. You can even add your own popsicle sticks to make them easier to eat. If you don't own any moulds, you can make bite size frozen treats using a regular ice cube tray.

CUBBY HOUSES AND DOG KENNELS FOR SALE!

The 1st Year VET Building & Construction students have completed Cubby Houses and Dog Kennels ready for Santa to deliver at Christmas.

The Dog Kennels are made from timber with a colourbond roof. Large, medium and small kennels are available. The large dog kennel is \$150.00, the medium \$125.00 and the small is \$100.00.

Measurements:

Large	1060mm long x 750mm wide x 950mm high
Medium	960mm long x 650mm wide x 830mm high.
Small	800mm long x 520mm wide x 690mm high.

The Cubby House is 2.4m long, 1.8m wide and 2.1m high. It is constructed from timber with a colourbond roof. The cost of a cubby house is \$800.00.

For further information please contact the school on 03 5032 9771 or email Eddie Scholtens at escholtens@mackillopsh.vic.edu.au
