Vision
As partners in Catholic education and open to God’s presence, we pursue fullness of life for all.

Mission
At St Mary MacKillop College we are people who affirm the dignity of every person, who act with respect and compassion, who reverence relationships, who have hearts for generosity and forgiveness.

We celebrate our Catholic identity.
We respect the unique dignity, faith and gifts of each person.
We value learning, aspiration and connectedness and we work together to create a positive future.

FROM THE PRINCIPAL

Dear Parents, Guardians and Friends,

In our lives we live through celebration and heart ache. In the past two weeks our Josephite affiliated school, Marian College in Christchurch has dealt with both. In 2011 Christchurch suffered a devastating 6.2 magnitude earthquake. Marian College suffered considerable damage, however due to liquefaction, their school was deemed uninhabitable and they were not allowed to return. For eight years the school has operated out of borrowed buildings on a site that does not belong to them. Two weeks ago they received the news that a site had been purchased and plans for their new school could begin. A joyous day for Marian College.

A week later the school was in lockdown. For hours’ staff and students could not go outside. Another horrible day had been cast on Christchurch at the hands of a human being. It is hard for us to understand why events like this happen. Our thoughts and prayers need to be with the victims and their families and the Muslim community in New Zealand and around the world. Many young people will find the events in New Zealand distressing. It is important to allow conversation to happen and to allow your son/daughter to talk about how they feel. It can be tempting to cheer people up, sometimes we just need to listen.

There will be a vigil to honour the victims of the Christchurch terror attack at 3:30pm today at the Uniting Church Hall, Rutherford St, Swan Hill.

- Fri 5th Last Day of Term 1 School finishes 2.15pm
Retirement of Leanne Cook
Many parents may be aware that Leanne Cook will be retiring at the end of this term. Leanne began teaching at St Mary MacKillop College in 2002. In 2003 she was appointed to the position of Year 9 Alternate Program Coordinator and then the Water Resources Coordinator in 2005. Both of these positions involved working with and creating programs for some of our most disengaged students. Over the years Leanne has also held Curriculum Leader positions for Humanities and Arts, has helped run school productions (as well as act in them) and due to her own personal love of History has taught History, coordinated student involvement in many local activities including ANZAC Day and Remembrance Day services, and provided opportunities for students to travel to Gallipoli, the Western Front, Germany and Vietnam.

With two weeks until the end of the term there will be opportunities for the staff and students to farewell Leanne. If you would like to pass on a personal message or card, these can be left at the front office. Leanne is retiring to be closer to her daughter and grandson (soon to be a brother). We wish her all the best in her retirement.

Change of Uniform
As the weather begins to cool, some students have begun to wear the Winter Jacket to school. I remind parents that the Winter Jacket is not to be worn until Term 2, and is not to be worn with the Summer Uniform. The changeover to Winter Uniform will occur in the first weeks of Term 2, with all students expected to be in Winter Uniform from Monday 6th May.

Michelle Haeusler
Principal

WICKED FUNDRAISER

The WICKED cast and crew are running a Krispy Kreme Doughnut Fundraiser which will run from now until the end of the term. Doughnuts will not be sold at school, but order forms are available in the newsletter or from the Front Office.

There are two options available; Original Glazed Dozen ($20) or Mixed Glazed and Iced Dozen ($24).

If you would like to support our School Production by purchasing some doughnuts, please complete an order form and return it to the front office. Order forms are to be returned by Friday 5th April (Last day of Term 1). Payments can be made by cash or eftpos at the Front Office.

Doughnuts may be collected after school on Friday 3rd May or on Saturday 4th May from our stand on the market day Swan Hill Market Day between 9am and 12pm.

SCHOOL ADVISORY COUNCIL ANNUAL GENERAL MEETING

The Annual General Meeting for the St Mary MacKillop College School Advisory Council will be held in the Principal’s Office on Tuesday 26th March at 6:30pm.

The school currently has a vacancy on the Council for a parent representative. If you are interested in this position, please contact the Personal Assistant to the Principal, Miss Emma Webb, by Thursday 21st March on 5032 9771, or via email ewebb@mackillopsh.vic.edu.au. The SAC meets every fourth Tuesday of the month, during school terms, at 7:00pm and meetings are usually between one to two hours.
Year 7 Reflection Day – Tuesday 19\textsuperscript{th} March

The day started with a performance of the story of St. Mary of the Cross MacKillop brought to us by Starrs Productions. This group has been visiting our school for a number of years now and continue to bring the story of Saint Mary MacKillop to life. Our students enjoyed the performance.

After recess the students walked down to the Swan Hill Football Netball Club rooms where a day was spent participating in identity activities. Although it was a warm day, all students involved themselves in all activities. A special mention to Fr. Matt who organized lunch – TACOS!!! These were enjoyed by all.

My sincere thanks to all students for their participation in the day – we had 100% attendance!! Also thanks to the staff who came along as well.

Feast of St. Joseph, husband of Mary

Also on Tuesday, our school recognized this important Feast Day with a prayer during Homeroom. It is a particularly special day for us as a Josephite school. Mary MacKillop and Julian Tenison Woods chose Saint Joseph to be the Patron of the Sisters of Saint Joseph of the Sacred Heart. Mary MacKillop often wrote to the sisters about the humility of Joseph – a man grounded in the reality of every day, always aware that it was God’s work and not his own that mattered.

Year 9 Reflection Day – Tuesday 26\textsuperscript{th} March

Our Year 9 students will have their Reflection Day next Tuesday 26\textsuperscript{th} March. This will be held at the Grain shed. ALL students are required to attend in full PE uniform. Lunch will be provided.

Journeying through Lent we are challenged to ‘clothe ourselves with compassion’ (Colossians 3:12) which has many faces; kindness, tenderness, mercy, forgiveness and gentleness. Given the atrocity that occurred last week in Christchurch, let us call on our God of compassion and pray for those affected.

God of peace,
    We pray for those caught up in the events in Christchurch, for those killed and wounded, and for those who will mourn.
    We pray for the people of the emergency services as they respond, and for community leaders and faith leaders as they work to heal broken communities.
    Soften the hearts of those who are motivated by hate and bring peace to your precious people of New Zealand.
    Amen.

Alison Wright
Director of Mission

2013 – 2018 CHRONICLES AVAILABLE

The Front Office have a few copies of previous years Chronicles ranging from 2013 - 2018 available at no cost if anyone would like another copy.

If you are interested, please contact the Front Office and we can send a copy home with your child.

Any copies remaining after 2 weeks will be destroyed.
Last week the Year Twelve students ventured to Halls Gap for our final school camp ever. The teachers assured us retreat would be relaxing and reflective and they were not wrong! Through bonding activities where we “took off our masks” and allowed ourselves to be vulnerable and show our true selves our year level was united. Many of us were able to understand and appreciate each other and our struggles.

The three days included many emotional and reflective activities with a few fun and exciting activities that helped us bond on a shallower level. These included a massive hike, walks into town for delicious ice cream and tense matches of table tennis. We would really like to thank the teachers that came with us on this journey and made us feel so comfortable and supported. We can’t wait to see what the rest of the year has to bring, alongside our new friendships.

Thank you
Hana, Greta, Jana and Jenna
Last year I was very privileged to receive the Edna Daniher and Jeanie Lynch Scholarship to attend the Los Angeles Religious Education Congress. I am one of two recipients within the country Diocese of Victoria to be given this opportunity and I am very grateful to our Principal Michelle Haeusler for encouraging me to apply. My patron is Edna Daniher and earlier this month I met with her son Anthony and Mark Lynch, representing Jeanie Lynch.

The Los Angeles Religious Education Congress (RE Congress) is a four-day event held by the Roman Catholic Archdiocese of Los Angeles. This year, it runs from March 21st – 24th. The event began in 1956 as an "Institute" of the Confraternity of Christian Doctrine, popularly known as CCD. In 1967, the first three-day “Congress” was held. In 1970, the event moved to the Anaheim Convention Centre in Anaheim, California. It is the largest annual gathering of Catholics in the United States with roughly 40,000 people attending. The focus of the RE Congress is for those in attendance to learn more about the Catholic faith as well as seeking personal growth. It is open to all people of different faiths. I am looking forward to being able to share my experiences with staff, students and our community when I return.

Moving towards the end of Term 1
On Monday 1st April, we will have our first Whole School Assembly for 2019. This Assembly will give us the opportunity to acknowledge and celebrate the wonderful things that have taken place throughout the term. By all accounts it has been a busy, productive and positive term. By the end of term, the completion of ten weeks, we will have had an Opening Mass, the Swimming Carnival, marked the beginning of Lent with Ash Wednesday and undertaken support of Project Compassion. We will have commissioned Student Leaders, all part of the Student Forum which is active and working well. There will have been three camps and the Year 12 Retreat. Students participated in Summer Sports and various other representational activities. Students have opened their lockers for the very first time, created study timetables, read text books, collected MacBooks, participated in work experience, completed assignments, studied hard and undertaken SACs. While it makes for quite a list, these are all signs of the vitality and life of our school community. It is good to be able to stop for a moment to appreciate just how much happens in our wonderful school.

As we approach the holidays I take the opportunity to encourage students to finish on a good note. This means completing all the work that needs to be done before holidays. It means perhaps tidying up books and lockers ready to start Term 2 well.
While I am sure all students and staff are looking forward to a break with family and friends there will be those who will use the holiday for preparation, revision and study, our senior students in particular. This is part and parcel of senior study but I do hope all our students, whatever their study commitments, and all our staff, make time to stop and rest, to enjoy being quiet and still for at least some of the holiday period. We are all at our ‘wellbeing best’ when we have a break from the normal routine and spend some time in recreation, spending time with people we love and doing things we love to do. Congratulations to all our students and staff for a positive, productive and enjoyable Term 1.

As we return in Term 2, may all those in our community be blessed with the light of Easter in their hearts.

Catherine Howison
Deputy Principal

St Mary MacKillop College would like to thank the Mallee Cruisers Car Club and the Swan Hill Lions Club for their extremely generous donation towards our school's Wellbeing department. The donation is from the R.U.S.H (‘R’ ‘U’ OK Swan Hill) Weekend which was run by the Swan Hill Lions Club & Mallee Cruisers Car Club.

We look forward to using the money towards programs and initiatives that support our school communities wellbeing.

Social Justice/Wellbeing Term 2 Breakfast Club
The Social Justice Committee has been in full swing brainstorming ideas to bring to our school. Our committee consists of Year Seven to Year Twelve students, who are all passionate about making a positive change in our school. One of the first projects we will be working towards is the reintroduction of the early morning Breakfast Club.

The Breakfast Club will provide free toast for those who perhaps didn’t eat that morning or even those who just feel like some toast! The Breakfast Club will rely on donations and this is where we ask for your help.

Many hands make light work and we ask that if you can, send a small donation of vegemite, jam, margarine, etc. (but no nut products please!) Donations can be dropped off in homeroom or pastoral care.

Wellbeing Resources
Below is a list of different Wellbeing resources for parents on a range of issues concerning youth.

- [https://raisingchildren.net.au/grown-ups/services-support/services-families/mental-health-services](https://raisingchildren.net.au/grown-ups/services-support/services-families/mental-health-services)
Parents/Guardians attendance at their Year 7 student’s first TA Interview

It was great to see so many parents being able to attend our College to observe the Teacher Advisor program in action as their Year 7 child completed their first Teacher Advisor Interview. Around 75% of parents attended what we hope was a very valuable experience in developing a positive relationship between the family and their Teacher Adviser and to assist you in developing a better understanding of the benefits of the TA program. We fully appreciate that some parents could not attend at this time, but please be assured your child will still have a Teacher Advisor Interview during regular school hours by the end of the week and that you will be able to read their comments, goals and a record of the discussion they have had about their learning online via PAM.

Year 7 – 10 Student Parent Teacher Interview Evening 30th April 2019

Parents and Year 7 – 10 students are invited to attend our Student Parent Teacher Interview evening (4:00 – 8:00pm) Tuesday 30th April to discuss student progress, face to face, with their Subject teachers and Homeroom teachers if they require more specific information than provided in their Subject or Teacher Advisor reports.

Online booking for the Year 7 – 10 Parent Teacher Interview Evening will be available from Tuesday 23rd April 2019 (Day 2, Term 2) via the Parent Access Module (PAM). Please contact the Front Office if you need assistance making a booking or if you have misplaced your username or need the password reset to access PAM.

Parent Access Module (PAM) – keeping you up to date on student learning

Have you seen your child’s Learning Areas tasks online by logging on to our Parent Access Module via our website?

After School Homework and Study Help in the Learning Resource Centre (Library)

In an effort to assist students with their homework and develop sound study skills, the staff at St Mary MacKillop College have been rostered into the Learning Resource Centre every Monday – Wednesday from 3:30pm – 4:30pm. We strongly encourage students to utilise this excellent facility, where students can stay after school any day until 4:30pm (except Friday when the Learning Resource Centre closes at 4:00pm).

Sally Looney
Director of Teaching and Learning
PATHWAYS/CAREERS

Many educational facilities offer fabulous opportunities for students during the school holiday break. These are fantastic days and past students have commented very positively of the benefits of attending days such as these. Students and parents are encouraged to investigate the many workshops that will be held during the April school holidays – such as:

**Experience Clever, La Trobe** Experience Clever gives students the chance by taking part in fun and dynamic workshops, seminars and lectures. Open to future students and parents. This event will be held at the Melbourne (Bundoora) campus on **Friday, April 12th**. Another opportunity will be held in Bendigo early in July. To register your interest, go to [http://bit.ly/2p07y7b](http://bit.ly/2p07y7b)

**Bendigo Campus Tours:** Booking are now open for LaTrobe Bendigo Campus Talk and Tours between **Monday 8 April and Friday 12 April**. Students and their families have an opportunity to have any course questions answered and enjoy a tour of the campus and accommodation with a student ambassador. Book at [https://www.latrobe.edu.au/events/all/bendigo-campus-talk-and-tours](https://www.latrobe.edu.au/events/all/bendigo-campus-talk-and-tours)

**Explore Deakin University:** You are invited to experience Deakin University through their Step on Campus program. Students can take a campus tour (any campus), learn about courses and university life. To find out more and to register, go to [deakin.edu.au/steponcampus](deakin.edu.au/steponcampus)

**A Day at Melbourne** is an event for students who are looking for more specific information relating to courses. This will be held at Melbourne University on **Friday, April 12th**. To register go to [https://futurestudents.unimelb.edu.au/explore/events](https://futurestudents.unimelb.edu.au/explore/events)

**Explore Days - Charles Sturt University (Wagga Wagga)** **April 15th and 16th.** Looking at courses such as Veterinary, Equine and Animal Science. Students will also be able to choose a hands-on workshop and a farm tour. For information and to register your place, go to [https://futurestudents.csu.edu.au](https://futurestudents.csu.edu.au)

**Situations Vacant**

Watto's Refrigeration is looking for a Year 10, Year 11 or Year 12 student who would like to commence a full-time apprenticeship with them. This fantastic opportunity would involve air-conditioning, installation, refrigeration and electrical work. Applications can be emailed directly to Zoe at [zoe@wattosrefrigeration.com.au](mailto:zoe@wattosrefrigeration.com.au)

BB Auto Electrical (Swan Hill) are looking for a student who is interested in Auto Electrics, who has a good work ethic and is willing to learn this trade. A full time apprentice position is available for the right person. Resumes can be dropped off to their business – 20 Thurla Street, Swan Hill.

Murray Mallee Training have advised us of two positions.

The first one is a School Based Apprenticeship (SBAT) Diesel Mechanic with a local employer.

The second is a full time Parts Interpreter Apprenticeship, with a Swan Hill car dealer.

More information for both these positions are available from the Murray Mallee Training website or from the Pathways Office.

Laura Crow and Brenda Brady
Pathways Team
On Monday 18th March our Clay Target Team travelled to Barham for the Bar-Rook Sporting Field and Game School Persons Shoot. Our team consisted of 11 very keen shooters which included; Lleyton McLean, Ryan Archard, Jana Stemmer, Joshua Sutton, Tom Miller, Patrick Oliver, Liam Cumming, Ethan Fitzpatrick, Bailey Mimmo, Blake Wilckens and Jalen Keam, who could not wait to display their shooting skills on the simulated field and game course. Once nominations were completed our team was divided into two squads and sent to their shooting grounds. At the first station shooters were given one sighter target and then two single barrel targets over six stations for a total of twelve targets. After a short break the second round of twelve targets were shot on a different course to complete the competition.

At the end of competition, two of our shooters were on equal scores with other shooters in their respective grades which meant they were then involved in a shoot off to determine a winner. At the end of the shoot off, Ryan Archard 18/24 was deemed the winner of the Senior Boys Members Grade and Tom Miller 16/24 was second in the Senior Boys Non-Members Grade.

Other shooters to perform well on the day were Lleyton McLean 14/24, Joshua Sutton 13/24, Bailey Mimmo, Liam Cumming and Patrick Oliver who all shot 12/24 targets.

A special mention to Ethan Fitzpatrick who shot 10/24 on his first time shooting Field and Game targets which is a very good effort. With practice and experience at these targets I don’t think it will be very long before we see Ethan up on the podium receiving a trophy.

Good luck and aim straight.

Mr Scholtens
Clay Target Coach
On Monday 18th March, we had our first Pastoral Care Day. On a Pastoral Care Day, lesson times are adjusted to allow for an extra period, so that we have a 5-lesson day.

The Pastoral Care Session on Monday was a positive relationship building lesson, and a fun way for students to get to know each other and their Homeroom teacher in a more relaxed setting. Each Homeroom played various Minute to Win It games run by the senior students and the Homeroom teacher. These games take household items; like paper bags, water bottles, eggs or even toilet paper, and turn them into fun challenges.
Think about these three words to help your child (and yourself) be their most healthy and happy

- **Eat** more fruit and veggies
- **Move** more often
- **Smile** with friends, family and neighbours.

Getting good nutrition, good levels of physical activity and interacting with other kids and adults are important factors in the growth, learning and health of children.

### Week 7

**Adequate sleep improves moods!**

Is your child getting enough sleep?

It is recommended that school aged children get between 9 and 11 hours of sleep every night! Ensuring your children are getting adequate sleep will have a number of benefits, these include – more positive moods, better concentration at school, and more energy throughout the day. An added bonus of putting them to bed early means you get some down time in the evenings for yourself.

### Week 8

**Ride2School**

Ride2School Day is on the 22nd March, and is an excellent way for your child to get active on their journey to and from school. With the weather cooling down, this is the perfect opportunity for your kids to get to school in a more active way – and if you’re not comfortable with them going alone, you can get active too!

Don’t have a bike? No problem!

Biking, scooting, or even walking are all great ways to get to school!

Try and get your kids to school in an active way this whole week (or even the rest of term)!

For more information about health benefits of active transport, and bike safety tips, visit:

Thank you for supporting the Cast and Crew of Wicked.

We would like to thank you for your generosity and hope you enjoy your donuts!

St Mary MacKillop College Fundraising for the musical production of Wicked
- Please return order forms to St Mary MacKillop College by Friday 5th April (last day of Term 1)
- Payments can be made by Cash or eftpos at the Front Office.
- Collection will be Saturday 4th May at Swan Hill Market Day between 9 and 12am.

2 x Chocolate Iced
2 x Chocolate Iced with Sprinkles
2 x Strawberry Iced
Something the whole family can enjoy.
What is Instagram?

Instagram is a photo-sharing app which allows users to take photos and videos, apply filters and share these with either followers or the general public. Users are able to ‘like’ and comment on photos as well as send these images directly to individuals through a private messaging option. Private messaging is accessed by the inbox symbol at the top right corner of the home page.

What is the age classification for Instagram?

Instagram users must be 13 years or older. This service is owned by Facebook and usually links to a Facebook account where a user’s age can also be verified. There may be content on Instagram, which is confronting, graphic or not appropriate for children and younger teens.

How are young people using Instagram?

Instagram is being used by young people to share photos, occasions and situations with their friends. The ability to like and comment on photos provides a useful communication function for young people as they explore and express their personality.

Should I be worried if my child is using Instagram?

Any application when used incorrectly, has the potential to cause harm. It is important that you openly communicate with your child about how they may be using an application and the legal and ethical ramifications of inappropriate use. They also need to be aware the dangers of communicating with people they don’t know via any mobile application.

Who can see my child’s photos on Instagram?

An Instagram account can be made visible to the public, or to approved followers only. Account settings can be changed through the Instagram app on a mobile device by selecting the ‘Profile’ option on the lower right-hand side of the screen. Click ‘Options’ (signified by three dots), under ‘Account’ ensure ‘Private Account’ is in the ‘On’ position. It is important to note that even if an account is private, content shared on Instagram can easily be posted to a linked Facebook account which means Facebook friends can also see the post.

What could be revealed through an image?

There is a lot of information which can be revealed through a photo when it is shared online, in particular your location. This is revealed through a process called ‘geotagging’. Geotagging is when the GPS coordinates of where an image was taken or a post was made, are stored within that post. This means that people may be able to find out location specifics such as where your child lives, works, or goes to school.

How to limit sharing location information?

It is important to turn off the location function for the camera on your child’s mobile device, especially if they are using social media apps such as Instagram. For most devices, you can find where to do this in the ‘Settings’ menu. If you are unsure how to do this on your child’s device, you can look up the device’s user guide online.

It is also best to avoid using the Photo Map function on Instagram as this will pinpoint where photos have been taken on a map, potentially showing others the locations where your child spends much of their time. It is important to maintain open lines of communication between yourself and your child and discuss safe privacy settings.

What are the potential problems with Instagram?

Potential problems faced when using Instagram include the sharing of private information through photos, such as a home address or where a child goes to school. Your child may post a photo and receive negative comments...
from other users or have their images shared without their permission. They may also be exposed to photos which are rude, offensive or upsetting to them. It’s important you and your child know how to block and report inappropriate users on Instagram.

You can block users via the Instagram app on your mobile device. Open the profile page of the offensive user and select the Further Options icon on the upper right-hand side of the screen. Select the Block User option and when prompted by the dialog box, select Yes, I’m sure.

If you child experiences cyberbullying report it to the social media platform in first instance. If it hasn’t been removed in 48 hours, you can report it on the Office of the Children’s e-safety Commissioner’s eSafety hotline (eSafety.gov.au).

**How can I delete my child’s account?**

If after talking with your child about the ethical use of Instagram and your family’s rules around technology, you may think it’s appropriate to delete the Instagram account.

To delete an Instagram account log into the account at instagram.com, click the account username in the top right and select Edit Profile, click I’d like to delete my account in the bottom right.

**Note:** Accounts can not be reactivated and photos may be lost.

Open and supportive discussions around technology usage are vital in ensuring your child understands their responsibilities when using technology. Simply removing the technology is not the best response as it could potentially make your child hide their usage where there are fewer opportunities for you to support them.
Swan Hill City & District Netball Association

are gearing up for the 2019 season.

The skills & competitions that will be running this year are:

NetSetGo – SET program. Grades 1 & 2
Training based on ball skills, fitness, fun, position & rule teaching

NetSetGo – GO program. Also known as Modified (Grades 3/4)
Coordinated training activities with increased ball skills, fitness, fun, position & rule teaching followed by a modified rules 4 quarter game each week.

SENIOR COMP – Grades 5/6/7
Skills training activities with a nominated coach, team training followed by an umpired 4 quarter game. This comp is scored with finals at the end of the season.

Who: Anyone who would like to play netball. Training and teaching is provided at all levels.

When: Wednesday nights during Term 2 and 3 for all comps. Competition starts 1st May 2019.

Where: Alan Garden Reserve Netball Courts, High Street

Time: Exact Times still to be advised (Usually around 4 pm for Netsetgo and 4.30 for the Seniors)

Why: Friendship, fun, fitness, fair play and skills! No experience required we cater for all levels.

Register by Friday 5th April, online only at:

Senior Netball Site: Grades 5/6/7

NetSetGo Site for Grades 1/2 & 3/4

Uniform Pick up Date: Tues, April 30th 4:00pm - 6:00pm at Alan Garden Netball Reserve Club rooms for Grades 3 / 4 and 5 / 6 / 7 only.

Any queries or problems with registering or you would like the link e-mailed directly to you please e-mail Sally Hammet with as much detail as possible - Shammet14@gmail.com

The quick links are also on our Facebook page Swan Hill City Netball which is the fastest way to register for those with Facebook.

We are also looking for volunteer coaches, NetsetGo helpers and badged paid umpires. If you are able to help out with any of these positions, please email Lexi - dalexi@hotmail.com

Swan Hill City Netball Association (SHCNA) – Looking forward to another great season in 2019
