

St Mary MacKillop

Compassion ~ "Be of good heart" (St Mary MacKillop 1876)

NEWS

INSIDE

Vision

As partners in Catholic education and open to God's presence, we pursue fullness of life for all.

Mission

At St Mary MacKillop College we are people who affirm the dignity of every person, who act with respect and compassion, who reverence relationships, who have hearts for generosity and forgiveness.

We celebrate our Catholic identity.

We respect the unique dignity, faith and gifts of each person.

We value learning, aspiration and connectedness and we work together to create a positive future.

FROM THE PRINCIPAL

Dear Parents, Guardians and Friends,

On Wednesday 11th March we received the news that Fr Matthew Thomas will be relocating to the Sunraysia Parish (Mildura) after Easter. Fr Matthew arrived in Swan Hill in February 2017 and has been a welcome presence around our school and community. The staff will have an opportunity to say farewell at a small function on Friday 20th March, and the students will see Fr Matthew in the school yard next week.

We have also learned this week that masses will be held without parishioners until further notice. So sadly we will not be able to gather together and share a last Mass with Fr Matthew before he leaves. Once the restrictions on gatherings has been lifted we will invite Fr Matthew back to our community to celebrate the three years he has been of service to us.

This week has been a difficult one for our school community as well as the wider community as we learn about the restrictions put in place to assist us through this uncertain time around the spread of the COVID-19 coronavirus. Unfortunately, we have had to cancel or postpone our involvement in the following upcoming events:

- Art, Culture and History Trip
- Year 7 Reflection Day
- Loddon Mallee Regional Swimming Carnival
- Harmony Day Celebrations
- Year 10A Work Experience
- Year 11 VCAL Camp
- Year 8 Camp
- Year 9 Reflection Day
- Primary School Summer Sports
- Year 11 Careers Show Excursion (cancelled)

Friday, 20 March, 2020

- Faith Matters
- From the Deputy Principal
- Clay Target Shooting
- Happy Harmony Week

Mon 30th – Fri 3rd
Front Office Open
9am to 3pm

APRIL

Mon 13th Easter Monday

Tues 14th First Day of Term 2

Tues 28th Year 7 – 10 Parent,
Student, Teacher
Interviews

FROM THE PRINCIPAL

Mr Hirst, Camps and Activities Coordinator, has been able to secure another time for the Year 8 Camp. This will now occur from Monday 16th to Thursday 19th November. Other staff are also trying to determine when other events will be re-scheduled and we will notify you of these as they occur.

Year 7 & 8 students are permitted to keep their MacBooks over this upcoming holiday period. As always, please ensure that all students are using and storing their MacBooks in an appropriate way.

Thank you to families that have continued to send their children to school. It is important that learning continues. The future is uncertain, however routine and a calm learning environment is important for the health of our youth. If our school is forced to close, the teachers have worked hard to ensure that adequate curriculum is available via Google Classroom or SIMON Learning Areas. Information in regards to assistance with MacBooks or Wellbeing during a school closure will also be communicated to you when a closure is announced.

We have seen two students achieve significant goals this term. We will celebrate these achievements at a future assembly.

Evan Logan – Queen Scout Award

Evan, of the 1st Lake Boga Catalina Venturer Unit, has become the first of two Venturers to earn their Queen Scout Award for thirteen years. Evan will be presented with his Queen Scout Award at Government House in Canberra later this year.

After completing the Venturing Skills and Venture Award badges, Evan has spent the last three years completing the remaining 16 badges required for the award. The badges come under the areas of Outdoor Activities, Community Involvement, Leadership Development and Personal Growth.

Some of the activities Evan has been involved in are: Kayaking, Hiking, bushwalking, The Great Bike Challenge, an environmental project, Meals on Wheels, written reports, mock interviews, leadership courses, debating, piano lessons and many more.

Congratulations to Evan on this wonderful achievement.

Alannah Burns – National Representative

Alannah has been selected to represent Australia at the Regency Horse Floats Hunter & Show Horse Championships in Tamworth and Canberra in November 2020. Alannah will also represent Australia in New Zealand in 2021.

Some of the awards that Alannah has received in the lead up to her selection have been:

2020 Equinade Riding Pony Of The Year Victorian Sup In Hand Senior

2019 Show Horse Council of Australasia Summer Spec Champ Rid new LP

2018 Dilutes Australia Victorian Grand Championships Led Bucks

Alannah works very hard in the Equine industry, not only in practising and competing but also completing track work in the early hours of each morning as well as her VET Equine Certificate.

This is a fantastic achievement, at the highest level. We wish Alannah all the best and look forward to hearing how she goes in the future.

Only one week to go prior to the school holidays. I will continue to communicate with families to ensure that you are kept up to date of any further restrictions or changes to our current educational program. Unless you hear otherwise it's "Business as usual".

Look after each other. Be kind and be calm.

Regards

Michelle Haeusler

Principal

Since my last article in the newsletter, I have attended the RE Congress in Los Angeles. What an amazing experience. It was by far the biggest RE gathering I had ever been to and likely to ever again. The speakers, sessions and liturgies were fabulous.

The theme “Live Mercy, Be Holy” provided the invitation to explore what these words mean, particularly in our world today. It gave me the opportunity to restore my own hope of God’s love for all and inspired me to continue to see the face of Christ in ourselves and in this faith community.

I am so grateful to have been afforded this experience. And also very grateful to have arrived back in Australia before this serious health outbreak started.

Feast of St. Joseph, husband of Mary – March 19

On Thursday, our school recognized this important Feast day with a prayer during Homeroom. It is a particularly special day for us as a Josephite school. Mary MacKillop and Julian Tenison Woods chose Saint Joseph to be the Patron of the Sisters of Saint Joseph of the Sacred Heart. Mary MacKillop often wrote to the sisters about the humility of Joseph – a man grounded in the reality of every day, always aware that it was God’s work and not his own that mattered.

God who cries with friends, please help us to stay strong in body as well as in spirit, to have the wisdom and prudence to do what is called for, to have empathy for all those who are suffering, and to live in your love, presence, and strength.
Amen.

God of health and wholeness, we stop, pause and pray for our sisters and brothers in Australia and around the world who are at present suffering and in need of care. Open our hearts and minds to where you call us to be in providing what we can in these challenging times. "On the day I called for help, you answered me".
Amen.

Jesus our brother, you travelled through towns and villages curing every disease and illness among the people. At your command the sick were made well. Come to our aid now in this health crisis, so that we may know your healing love. Heal those who are sick, may they regain their health and strength. Heal us from our fear, which prevents us from helping one another. Heal us from our pride, which makes us certain of our health and life apart from you. Bless health care professionals with strength and compassion as they selflessly respond to our needs. We make this prayer in your strong and holy name, you who with the Creator and the Spirit, live and reign for ever and ever.
Amen.

Year 7 and 9 Reflection Days

Unfortunately, the Year 7 and 9 Reflection Days in Term 1 were cancelled. We hope to reschedule these dates later in the year and will keep you updated with this.

Alison Wright
Director of Mission

FROM THE DEPUTY PRINCIPAL

Good lines of communication

We appreciate being able to contact parents quickly whether it is to inform them about an excursion or to call them to collect an unwell child. More than ever, good communication is important and we encourage parents to continue to be attentive to protocols.

Please contact your child through the school. If you call the school, you can choose the connection straight through to Pastoral Care. We discourage students texting their parents and would appreciate that parents also use the school channels to make contact. This simply means that we are also aware of arrangements.

If your child is going to be absent, please advise the school first thing in the morning. This can avoid confusion and unnecessary SMS messages.

CareMonkey notifications are regularly sent out and this method of communication is very efficient. Please regularly check your notifications. The information for any event or excursion will be included in the CareMonkey so it is always available to you.

Homeroom Teachers play a significant role in providing communication channels between the parent, child and school. If, for any reason, you have concerns about the academic or social and emotional wellbeing of your child, please do not hesitate to contact your child's Homeroom Teacher (HRT). Phone calls are a good way and if unavailable the HRT can get back to you. Email is also a method of communication that often suits parents and teachers and within the email a good time for a phone call or fact to face conversation can be established.

Student Forum

This week our Student Forum were to present to our school on the activities and projects that they have established so far this year. We will hold that over to another time. Please be assured that they continue to meet and will plan for initiatives that promote engagement and connection in our school community.

MacBooks

As a school we have made a decision that our Year 7 and 8 students will be able to keep their MacBooks over the holidays. We do not have certainty about school closures at the moment and MacBooks will be one way that students can stay in touch with their learning. Parents have a great deal of influence in the way students can use technology effectively. During any time but especially the holiday period, we encourage parents to discuss with their children the best use of technology, possibly putting in place guidelines for use including some agreement about screen time. The device is issued to the student on a lease arrangement and google accounts are managed by the school. It is therefore important that the MacBook is used appropriately at all times. It is okay to use it for non-school activities but these should be in line with the Responsible User Agreement.

Catherine Howison

Deputy Principal

THE RIDING SCHOOL BUS

Come join our riding school bus on the morning of the last day of Term. All students, staff and parents/guardians are invited to join our **RIDING SCHOOL BUS** on the final day of term, Friday 27th March.

You are welcome to join the riding school bus at the nearest point of entry along each route, or of course, meet us at the beginning of each route at 8.15am.

Route 1: Meet at Palaroo Park

Route 2: Meet at Tower Hill Park

Route 3: Meet at the corner of Werril Street and Mallee Valley Highway

More information is included in the Google Doc Mr Joyce has shared with students.

TEACHING AND LEARNING

TA Interviews

Many thanks to the staff who have completed TA interviews throughout Term 1. As a new member of staff seeing how the TA process works at the College, I cannot speak highly enough of the importance of these interviews. One of the many things Catholic schools do so well is ensuring the utmost care and concern for our students as we nurture their strengths and talents, and support them to achieve the best possible learning outcomes. The TA interview is a conversation between the homeroom teacher and student. Students are able to discuss their progress and goals, highlight their achievements and any areas of their learning they are finding a challenge. This structure ensures your child is well supported throughout their learning journey at the College.

NAPLAN tests cancelled for 2020

Education Ministers met today and decided that NAPLAN will not proceed in 2020. The NAPLAN test window was scheduled to be held from 12 to 22 May.

The decision to not proceed with NAPLAN in 2020 has been taken to assist school leaders, teachers and support staff to focus on the wellbeing of students and continuity of education, including potential online and remote learning in light of COVID-19.

This means the scheduled practice tests for students in Years 7 and 9 will not go ahead on Monday 23rd March and normal classes will run.

For further information, please read the communique from the Education Council in the link below:

<http://www.educationcouncil.edu.au/site/DefaultSite/filesystem/documents/EC%20Communiques%20and%20media%20releases/Education%20Council%20Communique%20%20-%2020%20March%202020.pdf>

Literacy Focus

We are committed to developing the literacy skills of all students. Students in Years 7 and 8 spend the first 15 minutes of lesson 4 engaged in reading. We have formed a Literacy Group at the College and throughout this year we will explore more ways to embed literacy across the curriculum.

Leading for Learning Project

We are blessed to have a highly committed and talented staff at the College. A group of staff are currently involved in the 'Leading for Learning' project led by the Catholic Education Office Ballarat. The aim of the project is to develop and enhance leadership capacity to effectively lead for learning at the College. We look forward to the participants of this project sharing what they have learnt with the whole staff.

Homework Checklist for Parents

Homework is an important extension of the learning that occurs during class time. I have put together a list of useful strategies to support parents with their child's homework. Please find the list of strategies [here](#).

After School Homework and Study Help in the Learning Resource Centre (Library)

In an effort to assist students with their homework and develop sound study skills, the staff at St Mary MacKillop College have been rostered into the Learning Resource Centre every Monday – Wednesday from 3:30pm – 4:30pm. We strongly encourage students to utilise this excellent facility, where students can stay after school any day until 4:30pm (except Friday when the Learning Resource Centre closes at 4:00pm).

Nathan Lane

Deputy Principal: Teaching and Learning

TEACHING AND LEARNING

What I learnt today at SMMC...

Students in Solomon 1 playing games during the pastoral care lesson

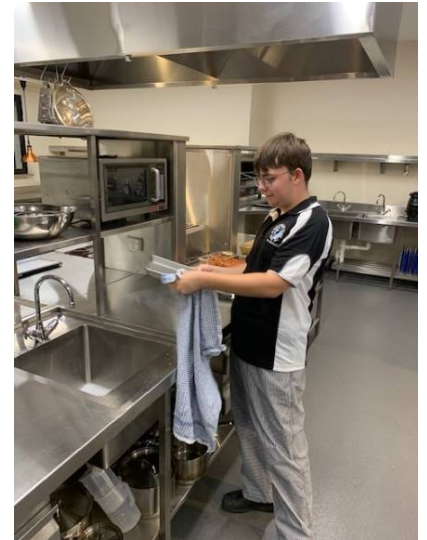

Year 7 students learning about water scarcity in Humanities

Ms Curtis completing a TA interview

Year 12 Biology students learning about cellular respiration

Year 11 Hospitality students cleaning up after cooking

Year 12 students working on their art during their study lesson

Year 7 students enjoying games in Peer Support

Year 10 students displaying their artistic skills

YEAR 8 ART & DESIGN

I couldn't be more pleased with the level of effort Year 8 students have shown this term and despite some interruptions, this was a positive experience in and out of the classroom. In fact, students had willingly requested to take their artworks home so they were able to complete them by the due date. Wow! The learning goal for this centred around their understanding, knowledge, and application of the design process by exploring the use of design elements and principles to produce a paper mosaic of either an object, animal or landscape. Students recorded their analysis, generated a variety of ideas from existing artworks, and documented their development and evaluation into their design brief. I am just so chuffed at the level of detail students applied to this task and look forward to sharing these with the rest of the school in our Learning Resource Centre.

YEAR 12 VISUAL COMMUNICATION

It has been a frantic term to say the least, and dare I say it, possibly filled with sweat, tears, pain, and joy. That being said, I am certain my students studying Unit 3 Visual Communication are now headed into the holiday break feeling a sense of relief and pride as they draw ever so close to their first folio submission. Outcome One required students to design a Melbourne pavilion for the Queen Victoria Gardens, seating, and promotional material for their pavilion. I have been excited since early last year at the prospects of this cohort and feel a sense of pride sharing a snap shot of their work.

Jeremy Wood

CLAY TARGET SHOOTING

On a sunny and slightly breezy day, on Monday 16th March, the St Mary MacKillop College Clay Target Team set off on their annual pilgrimage to the Bar-rook Field and Game Shooting Complex to compete in the Northwest Schoolpersons Shoot. Our team consisted of nine keen shooters; Bailey Mimmo, Blake Wilckens, Jalen Keam, Tom Miller, Nathan Johns, Edward Kuchel, Paul Mason, Ethan Fitzpatrick and Patrick Oliver. The nine shooters were placed into two squads and set off on their journey over the two courses to shoot off with some very testing targets on the day.

Some of the best shooters were Nathan Johns hitting 18/24 targets, Tom Miller and Bailey Mimmo hitting 12/24 each and Blake Wilckens hitting 11/24. At the end of the shoot, there was a shoot off for second place in the Senior Boys Non-Members with Tom Miller coming out on top after ten minutes of intense shooting.

Nathan Johns came first in the Senior Boys Members and Tom Miller came second in Senior Boys Non-Members. Our Senior Boys Members Team, Bailey Miimo, Tom Miller and Nathan Johns, placed first. The Senior Boys Non-Members Team, Blake Wilckens, Jalen Keam and Paul Mason, also came first after just getting over the line. These are some fantastic results, well done to all shooters.

The shooters would like to thank Mr Scholtens for taking the team out for a great day of shooting and hopefully we would like to see a few more numbers next year.

Tom Miller
Year 11 Student

YEAR 12 JUMPERS

Our Year 12 students were delighted to receive their 2020 school jumpers today.

SUMMER SPORTS REPORT

Junior Boys Basketball

Won 2 out of 3 Games

Best Players: Xavier Sherlock, Will Bennett,
Otto Conlan

MR LEARY'S YEAR 9 PE AT THE SWAN HILL TENNIS COURTS

HAPPY HARMONY WEEK!

Harmony Week is an opportunity to celebrate **Diversity** and **Belonging** to community. Our school nurtures students of many cultures and we do this through clear **Communication** and **Celebration** of each unique person that we are fortunate enough to care for every day.

Harmony Week is a time to celebrate Australian multiculturalism, and since 1999, more than 80,000 Harmony Week events have been held in childcare centres, schools, community groups, churches, businesses and federal, state and local government agencies across Australia. Harmony Week includes the 21st of March, which is the United Nations International Day for the Elimination of Racial Discrimination. Harmony Week is about inclusiveness, respect and belonging for all Australians, regardless of cultural or linguistic background, united by a set of core Australian values. For more information about Harmony Week, go to

<https://www.harmony.gov.au/>.

Orange is the colour of Harmony Day because it signifies social communication and meaningful conversations. It also relates to the freedom of ideas and encouragement of mutual respect.

Facts and Figures

- Nearly half (49 per cent) of Australians were born overseas or have at least one parent who was
- We identify with over 300 ancestries
- Since 1945, more than 7.5 million people have migrated to Australia
- 85 per cent of Australians agree multiculturalism has been good for Australia
- Apart from English, the most common languages spoken in Australia are Mandarin, Arabic, Cantonese, Vietnamese, Italian, Greek, Tagalog/Filipino, Hindi, Spanish and Punjabi
- More than 70 Indigenous languages are spoken in Australia.

(ABS 2016 Census Data - Check out the [Australian Bureau of Statistics website](https://www.abs.gov.au/))

Recipes for Harmony brings the world to students, introducing them to amazing people, cultures and foods in an interactive and educational way. You can download the ebook from [Recipes for Harmony eBook](https://www.harmony.gov.au/get-involved/schools/recipes), or go to <https://www.harmony.gov.au/get-involved/schools/recipes>.

SOCIAL JUSTICE AND WELLBEING

On Friday 13th March St Mary MacKillop College ran a fundraiser to raise money for World's Greatest Shave. This is an initiative of the Leukaemia Foundation that aims to raise money to support and empower families impacted by blood cancer and to accelerate blood cancer research. Throughout the week members of the Social Justice and Wellbeing Committee collected donations from the students, and on Friday they held a sausage sizzle to raise more funds for the cause.

We had two very brave students who offered to have their hair cut short to support this worthy cause, Milana Stanyer and Sophie Sutton. The event was a huge success with the school community raising over \$2,000. Thank you to everyone who contributed to the day, especially Milana, Sophie and past student Skye Hopkins who was the hairdresser on the day.

PARENT/TEACHER/STUDENT INTERVIEWS

Dear Parents,

Parent/Teacher/Student Interviews for students in Years 7 – 10 in 2020 will be held in the Jubilee Centre on the following date and time:

Tuesday 28th April **4.00pm – 8.00pm**

You can now book interviews through PAM at times that suit your family best.

Login to <http://pam.mackillopsh.vic.edu.au/> and enter through Parent Teacher Interviews to make your booking. Select Subject/Teacher and book your time.

BOOKINGS OPEN: Tuesday 21st April at 9.30am

BOOKINGS CLOSE: Tuesday 28th April at 9.30am

Parents who do not have access to the internet at home, at work, at a friend's house or on their phones, can contact Front Reception on 5032 9771 from 10.00am Tuesday 21st April onwards to make their bookings, or send a note to school with the approximate times required. Interviews are strictly of 8 minutes duration.

Parents can change their interview bookings any time prior to the closing date by re-visiting PAM and changing the booking. Parents wishing to change their interview times after the closing date should contact the school.

Little Free Library

We've had an amazing response from the public and our college community in regards to the usage of our Little Free Library. We are extremely excited, proud and grateful for all the donations we've received. We have recently restocked it with some exciting new reads, so get in quick because these goodies won't last. Don't forget to utilise this resource over the holidays and to share it with your friends and family.

YOUNG WRITERS AWARD

SWAN HILL REGIONAL LIBRARY

The Young Writers Award Writing Competition is an exciting opportunity for Prep to Year 10 and multi-class school children across the Swan Hill district.

The competition is devised to inspire pupils to write a narrative piece of no more than 500 words for primary students and 800 words for secondary students. Typed entries are to be submitted on a single A4 piece of paper. Simple illustrations are allowed.

This year's theme is *'Eat'*. A writing prompt is printed overleaf if needed.

Schools are invited to submit up to five entries for each category listed below, based on a set criteria. Multi-class entries are unlimited.

Categories include: **Grade Prep, Grade 1/2, Grade 3/4, Grade 5/6, Year 7/8, Year 9/10 and Multi-class (those students who receive PSD funding).**

Prizes will be awarded to the winner in each of the seven categories.

Students from the Swan Hill Secondary College senior literature class will shortlist entries in each section.

Winners will be announced at a presentation to be held at the library during Children's Week (week three of term four), on Wednesday, 21 October 2020 at 7pm.

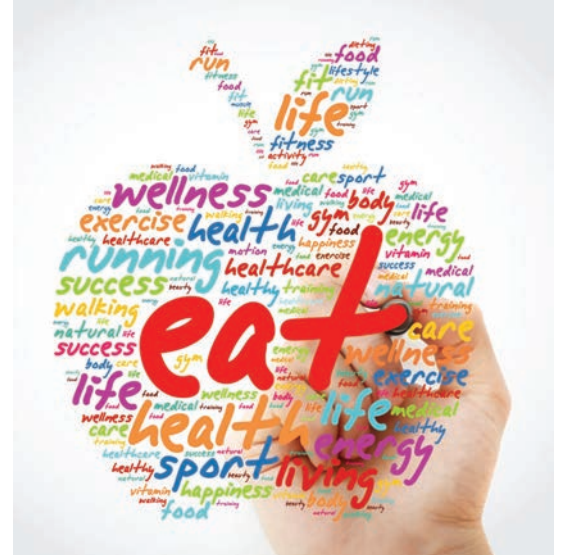

Shortlisted entries will be on display at the library during October.

Entries must include students name, grade and school and be delivered to Swan Hill Regional Library no later than Friday, 28 August 2020.

For more information, please contact Kellie at kcarlo@swanhill.vic.gov.au or phone the library on 5036 2480.

Eat

Food! Glorious food! I have all the colours of the rainbow on my plate. What shall I eat first?

You are to write a narrative – a made up story up to 500 words (primary) 800 words (secondary)

Thinking about your story

- Who are the characters in my story?
- Where and when does the story take place?
- What is the problem or conflict in the story?
- Use an interesting way to start and finish the story.

Thinking about your reader

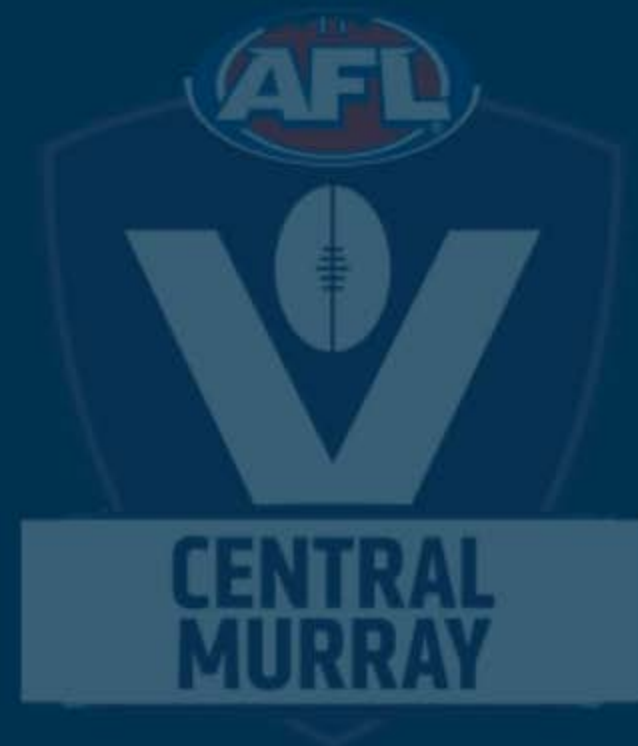

- Make your writing interesting and write clearly.
- Select your words carefully (use WOW words and interesting vocabulary).
- Write your sentences correctly (word order).
- Ensure you check punctuation and spelling.
