

WHILE YOU ARE LEARNING FROM HOME, THERE ARE THINGS YOU CAN DO TO STAY CONNECTED WITH YOUR CLASS & YOUR TEACHER AND GET THE MOST OUT OF ONLINE LEARNING.

## LEARNING AT HOME

### What your teacher will do...

They will be available online during the time when they normally teach your class.

During this time they may:

- Communicate to you via email, Google Classroom or Learning Areas
- Teach a class using Google Meet
- Communicate with you via a shared Google Doc or Google Hangouts
- They will do everything they can to support you!

### What you should do...

- attend Homeroom online at the start of the day.
- check and answer your emails.
- open Learning Areas at the start of each lesson and sign in to the Class Forum.
- enter Google Classrooms for instructions from your teacher.
- complete any work set by your teachers to the best of your ability.

### Being online

Whether your Class is using gmail Google Meet, docs or Hangouts, there are things to remember:

- be appropriately dressed if using Google Meet and be aware of your family members & their privacy
- our school expectations of Acceptable Use of Technology always apply.

## CONNECTING

### Access from Home

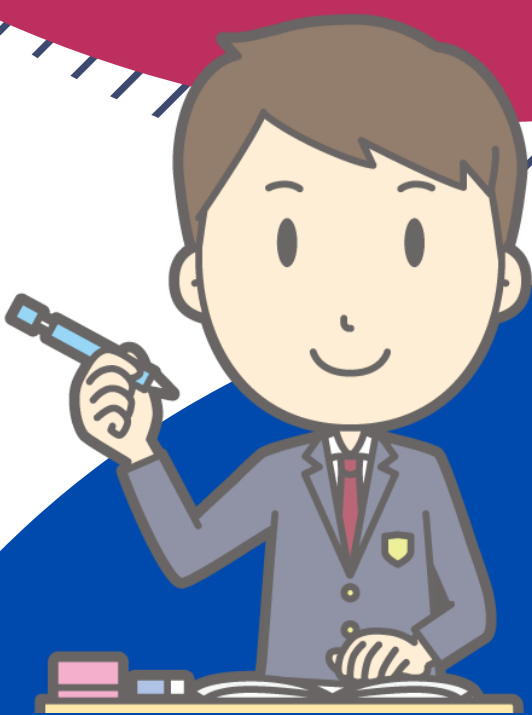

IT Support will be available to students

Ricky - 0400 980 917

Ian - 0439 926 425

Access Hours 8.30am - 4.00pm

### Work Habits at home....

- find a quiet space in your house to work
- check emails at the start of the day
- follow the times of a normal school day **as much as possible** including breaks
- leave your phone turned off and maybe even in another room
- keep following good hygiene habits to stay healthy and strong.

## BEING ORGANISED

We are all in this together!
